

Jason Lazor, DO, is with Spectrum Health Medical Group Orthopedics and specializes in non-operative sports medicine and is dual board certified in family medicine. Dr. Lazor earned his medical degree from the Philadelphia College of Osteopathic Medicine in Pennsylvania. He completed his family medicine residency at Susquehanna Health/Williamsport Family Medicine Residency in Williamsport, Pennsylvania, and completed his sports medicine fellowship with Michigan State University in East Lansing.

Dr. Lazor is the team physician for Grand Rapids Football Club, Davenport University, the West Michigan Whitecaps, Catholic Central High School, Comstock Park High School, Wayland High School, Wyoming High School, Godwin Heights High School, Union High School and Ottawa High School. He also serves as program director for the Spectrum Health Medical Group Orthopedics@WorkSM program and is a clinical advisor with Michigan State University College of Human Medicine.

Dr. Lazor has worked with multiple universities including Penn State University, University of Minnesota and University of Utah. He served as a physician for the Little League World Series in Williamsport, Pennsylvania, and has acute care experience from Park City Ski Resort in Utah.

His clinical interests include non-operative musculoskeletal conditions in children and adults. This includes strains, sprains, dislocations, arthritis and many other sport and non-sport related injuries of the ligaments, joint and muscles. He also provides expertise in interventional ultrasound medicine, performance and running medicine, sports related concussion management, and fracture care.
